Master Plan Plus Offer Process Manual v1.2	Issue date : 1 st July 2013	Page 3 of 8
--	--	-------------

TABLE OF CONTENTS

1. Ordering Process	4
2. Fault Handling and Repair.....	4
3. Service credit Payment Process	4
4. Order Handling Form.....	4
5. Master Plan Plus Inter-Operator Contacts.....	5

1. Ordering Process

Step	Process
1.0	OAO submits MPP order form to Wholesale CSC
1.1	Wholesale CSC process MPP orders
1.2	MPP orders validated
1.3	MPP applied to nominated circuits.

* The lead-time for the implementation of Master Plan Plus orders is fifteen (15) working days.

* * The lead-time will be reviewed six months after launch.

2. Fault Handling and Repair

Step	Process
1.0	Fault alarm triggered on ericom management system
1.1	Fault queried to confirm circuit is on MPP
1.2	Fault reviewed to determine problem.
1.3	Fault ticket raised on eircom fault management system
1.4	Fault resolution commenced
1.5	Customer notified of fault
1.6	Fault resolution completed
1.7	Fault ticket closed out
1.8	Fault completion

3. Service Credit Payment Process

The Service Credit Payment Process for MPP is as per the Wholesale Leased Line documentation.

4. Order Handling Form

Please find attached below.

5. Master Plan Plus Inter-Operator Contacts

All the eircom contact and escalation points are per the Wholesale Leased line documentation.

The proactive fault monitoring and eircom initiated fault logging, puts the onus on eircom to contact the customer. The Designated Customer Contact, as per the order form below, will be contacted within 15 minutes of fault being created.

Agreement & Order Form for *eircom* Master Plan Plus Service Level

Customer Details	
Customer Name:	
Customer Address/Registered Office (whichever is applicable):	
Contact Details: (Designated Customer Contact)	
Primary Contact:	Contact Number:
