

Notification of Mass Calling Event

Version Control

Version	Status	Update	Effective Date
1.0		Original	
V2.0	Final	This document is based on V1.0 Implementation of Standardised Change Control.	21/06/2017

This document follows change control procedure:

Proposed is defined as a document status when the approved document is uploaded to Proposals Section of open eir Website.

Final is defined as a document status when the approved document is uploaded to the relevant section of the open eir Website following the publication period.

For information:

- Historical Document History Table located at end of Document.
- Publish means the action of uploading a document to the website regardless of status or location.
- If there are changes to **the document between 'Proposed' and 'Final', change control operates.**
